

VitalOxide

NEW!

Leading-Edge Hospital Grade Disinfectant

A SAFER & HEALTHIER WAY TO DISINFECT

A SAFER SOLUTION

VITAL OXIDE is safer for use around humans, animals, aquatic life, even food surfaces. It kills deadly bacteria & viruses with no wipe or rinse required and with no harmful chemicals.

NO VOCs • 100% BIODEGRADABLE • FRAGRANCE FREE • NON CORROSIVE

SDS 0-0-0  Health Canada Authorized— DIN# 02422654

SIMPLE TO USE

By simply spraying or fogging VITAL OXIDE on all surfaces you can kill 99.999% of deadly bacteria and a multitude of viruses in minutes. There is no need to wipe or rinse after spraying which saves you time and money. Our disinfection application methodology ensures full coverage – disinfecting even unseen and hard to reach places!
